

COVID-19 UPDATE

To My Community:

During this unprecedented time, family is our utmost priority. From the lockdown to quarantine, we are now experiencing a wide range of emotions and responsibilities we may never have thought were possible.

Now, more than ever, it has become very important to ensure that our loved ones are cared for in the best way possible. My firm is currently still open and providing services to you so that you and your families can breathe easily knowing that your family is protected. In order to further serve my clients, the following changes have been implemented:

Consultations

All consultations are now held virtually or via phone call. Consultations can be held via Zoom, Google Meet, Skype, FaceTime, etc. All consultations are **FREE**.

Signing Appointments

Should you wish to move forward with my firm and have your estate planning documents drafted, the following options are available for signing appointments:

- **OPTION A:** Once documents are drafted, a meeting is scheduled to go over the documents virtually, via Zoom. Once the documents have been reviewed, you will then be required to come into my office to execute the documents. All CDC guidelines are followed. Masks are required, hand sanitizer is provided, and social distancing is maintained. My office is sanitized prior to and after each meeting.
- **OPTION B:** Once documents are drafted, a meeting is scheduled to go over the documents and executed in person. All CDC guidelines are followed. Masks are required, hand sanitizer is provided, and social distancing is maintained. My office is sanitized prior to and after each meeting.

I am here to make your estate planning experience as easy and smooth as possible. Should you have any questions or concerns, please do not hesitate to reach out to me.

Stay safe & healthy,

Isha Kakkar, Esq.
